25X1A

25X1A

25X1D

Location: Approximately 14.1 nm WNW of the complex support facility

Type: IIID

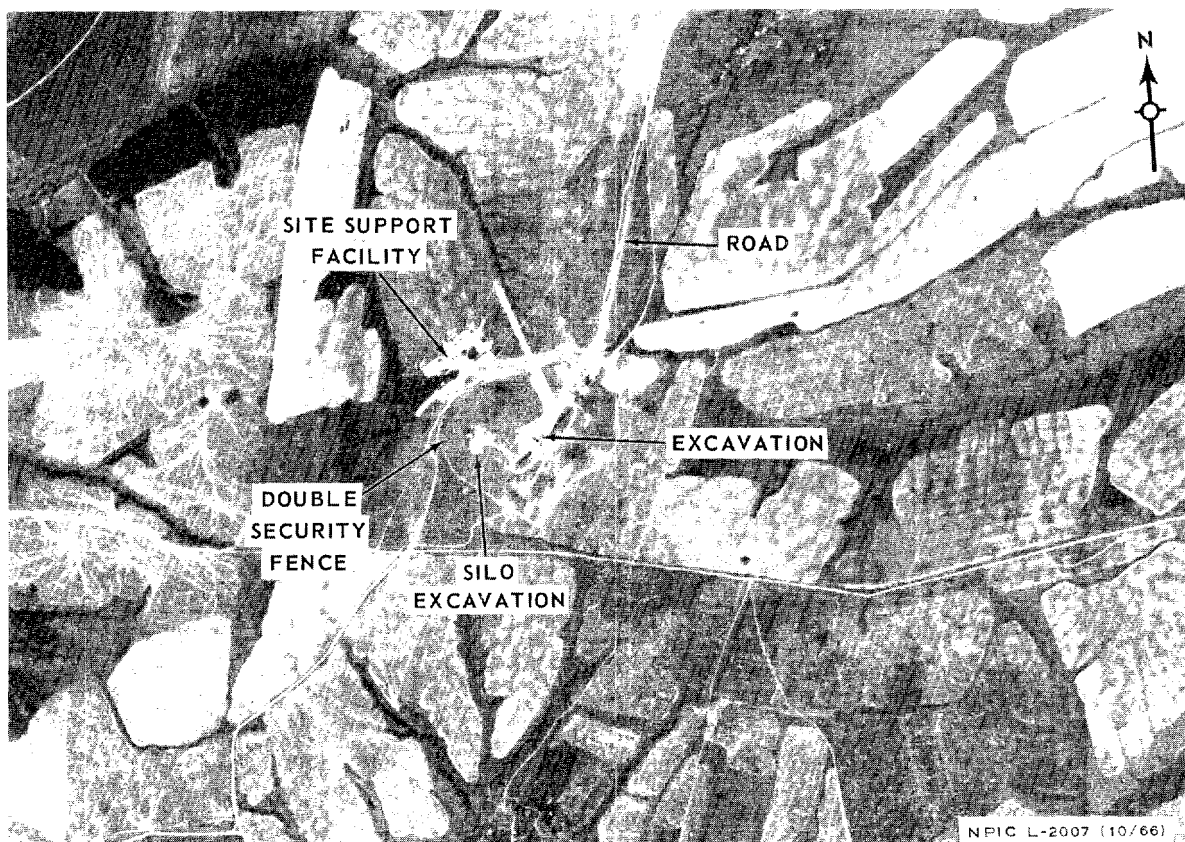

Negation Date:

25X1D

Stage of Construction: Early

Date First Seen:

The secured launch site is situated in gently rolling, cultivated terrain and consists of a secured, road-served area containing a silo excavation, a second excavation, and scarring. These features indicate that the site is a probable control site. A site support facility containing 5 buildings is outside the secured area.
